Tyler Bornstein loved the game of golf from the time he was young. He recorded **two hole-in-ones before the age of 16**. He would spend his summer days chipping, putting, and playing golf at Sable Creek Golf Course.

By the time he was 18, he had **two major surgeries** where he was **sent home with opiate prescription** medication. Before he knew it, Tyler was addicted to opiates, then eventually heroin. On September 28, 2014, Tyler Wilson Bornstein lost his life to a heroin/fentanyl overdose at the age of 23.

Hope United created Tyler's Redemption Place — a peer-run, trauma-informed Recovery Community Organization (RCO) built in honor of Tyler and dedicated to serving individuals and families across Summit County and surrounding areas.

At the RCO, people find free, holistic services that support mind, body, and spirit, along with a community that walks beside them through every stage of recovery.

This year, the Diamond Donor fundraiser for the golf outing will directly support the recovery and wellness programming at Tyler's Redemption Place. Your generosity strengthens the heart of our mission: expanding peer support, enhancing holistic wellness opportunities, increasing family, veteran, and recovery programming, and ensuring that every person seeking recovery has a safe, welcoming place to belong.

We invite YOU to stand with us in offering hope, healing, and community at Tyler's Redemption Place.
